

COMPANY OVERVIEW

Employers Choice Screening is a nationwide Consumer Reporting Agency (CRA) that offers a host of employment background screening and compliance training solutions. Since its inception in 2002, we have leveraged innovative technology and practices, enabling us to successfully respond to client needs and remain competitive in today's marketplace.

We have extensive experience in assisting clients and providing customized compliant solutions to fulfill requirements in specific areas of concern, with an emphasis on state and federal mandated compliance. Clients trust Employers Choice Screening because our team delivers legally-compliant services with fast results, allowing employers to make informed hiring decisions and reduce hiring risks.

CAPABILITIES

Employers Choice Screening is proud to offer a variety of background screening and verification services, delivered to you with the greatest return on investment in value and service.

Employers Choice Screening offers:

- Industry-leading speed, accuracy, and reliability of background information provided
- Compliance expertise with FCRA regulations, state and federal guidelines, and accredited by the NAPBS
- User-friendly online web-based applicant solution with e-signature capabilities
- Quality and knowledgeable staff with screening experience, 24-7 Customer Service available
- Customized program development, invoicing, and reporting offered

Compliance Training Group:

Compliance Training Group, Inc., a division of Employers Choice Screening, specializes in Human Resource related training courses for executives, supervisors, and employees, helping to create a safer and more productive workplace through education. Since its inception in 2002, Compliance Training Group has trained thousands of employees on a variety of topics including Sexual Harassment Prevention, Conflict Resolution, Diversity and Inclusion, Substance Abuse and Drug Awareness, Violence in the Workplace, as well as many other compliance-related topics.

Delivery methods include: E-Learning, On-site Training, Webinar, Train-the-Trainer, and SCORM files for LMS

DIFFERENTIATORS

Employers Choice Screening's approach is proactive. We not only bring cost-cutting and innovative solutions; helping you to reduce turnaround times and helping you streamline your recruitment process, we will work together with your team every step of the way, customizing a background screening program that fits your needs and business culture. With our leading industry services also comes industry-leading service. We will remain engaged with your team by listening, advising, and developing a complete system that will remain stable, secure, and help provide long-term solutions to your organization.
